ageing : The wine is well-balanced and matured and could be enjoyed now but will mature well for the next 3 to 5 years.

in the vineyard : The Stellenryck Collection of wines is made only in vintage years when optimum climatic conditions produce grapes of the highest quality. The world's noble varieties are chosen for the Stellenryck's single varietal wines.

The grapes came from trellised vineyards in the Stellenbosch and Durbanville areas.

about the harvest: The grapes were picked by hand between 23 and 24th Balling at the beginning of April.

in the cellar : In the cellar the juice fermented on the skins at 28^oC for 8 days. After malolactic fermentation the wine was matured in wood for 18 months - 60% in new French oak and 40% in second-fill casks.
