

## Zevenwacht Z Collection Reserve 2013

Rich and generous, this premium wine boasts a deep dark blue hue and whiffs of ripe red berries, infused with roasted coffee beans, tobacco leaves, cedar wood and cigar box. On the palate, expect concentrated black plum and a decadent dark chocolate finish. A full Bordeaux blend of Cabernet Sauvignon, Merlot, Petit Verdot, Malbec and Cabernet Franc.

When to Enjoy: To impress at dinner parties with a superb meal.

How to Serve: Good room temperature of 18 degrees.

Our meal suggestions: Excellent with a fillet mignon with a rich balsamic glaze served with baby potatoes coated in a parsley butter. Simply outstanding with rib-eye beef served on the rare side with stilton infused meaty gravy. Perhaps you have some more winning combinations?

Zevenwacht Wine Estate, situated on the beautiful **Stellenbosch Wine Route** is a modern wine farm with a 300 year history. Owned and managed by the Johnson Family, the Estate has a strong commitment to historic and cultural preservation as well as conservation of the surrounding indigenous environment. Two prime farming locations provide the grapes for the Zevenwacht winery. The home vineyard on the Estate's panoramic 450 hectare maritime influenced property, supplies the majority of the grapes. The farm Zevenrivieren, situated at the crest of the Helshoogte Pass, provides winemaker, Hagen Viljoen, with a boutique selection of grapes that add to the fascinating variety of the wines.

**in the vineyard :** Three distinctive sites were identified at Zevenwacht for this blended wine.

The heart of this blend comes from a Cabernet Sauvignon clone 46 vineyard, situated on a south westerly facing slope 150 - 200m above sea level, playing a big role in the aromatic potential, the tannic weight and absolute fruit density on the palate. The Merlot is from an older vineyard, next to the Cabernet Sauvignon and the Cabernet Franc from a higher vineyard - 300m above sea level. The three sights of the Polkadraai Hills, offer Ribena ripeness and generosity on the finish. The vines are trellised on a seven-wire hedge system. Pruned to two-bud spurs, allowing for 16 - 18 bearers per running meter. The Petit Verdot and Malbec blending components are purchased from Tokara until the new plantings on Zevenrivieren are ready to yield grapes.

**in the cellar :** Moderate summer temperatures allowed for a long ripening period producing good tannin, colour and sugar ripeness. Once again we had small berry size resulting in dense colouration and high extract in the wine. The components for this blend were aged separately in new and 2nd fill hogsheads (300L barrels) for 18 months. The best barrels were matured and blended. Two test blends were made and tasted in a comparative blind benchmark tastings against some of South Africa's best Bordeaux styled blends.
