pack : Bottle **size :** 750ml **closure :** Cork

2024 Vitis Vinifera Awards - Double Gold

Boschendal has a long and proud history of viticulture and wine making and a natural evolution was to develop a brandy to complement the Estate's outstanding wines. But we wanted to create something special of high quality, and this double distilled Potstill brandy matured for at least 10 years in French Oak Barrels is the result.

in the vineyard : Selected wine made of Grapes from the Western Cape Wine of Origin region.

in the cellar : Double distilled in pot stills, aged in small oak barrels for a minimum period of 10 years.

This blend consists of different ages, minimum 10 years, resulting in tropical pineapple, passion fruit, dried peaches, dates and fig flavours with hints of citrus and sherry.
