The Manor House ultra-premium collection comprises single varietal wines made from Nederburg's best-of-best fruit, inspired by the beautifully proportioned Cape Dutch manor house built in 1800 by Nederburg's founder, Philippus Wolvaart.

about the harvest: The grapes were harvested at 25° Balling and each block was individually vinified.

in the cellar : Open-top fermenters were used for a greater measure of control. Their large surface area provided an excellent ratio between the cap and the wine itself, thereby enhancing colour and eventual flavour. The wine was matured in a combination of new-, second- and third-fill small, French oak vats for a period of 12 to 14 months prior to blending. It received a light egg-white fining before filtration.
