

Darling Cellars Wildflower Cape Ruby NV

Rich ruby red colour with a beautiful, forth coming nose showing notes of spice, ripe plum, kirsch and dark chocolate. This wine exhibits a balance between ripe fruit flavours, supple tannins and hints of oak.

Serve as an aperitif or partner to decadent desserts. Will also pair well with mature cheeses and charcuterie. Alternatively enjoy as a mixer in cocktails or serve on the rocks!

The two factors which play the most important role in determining the character and quality of a wine are nature (soil, climate and location) and the human hand (cultivar choice, viticultural practices and winemaking techniques). Of these two, nature is considered to be the more important factor with a greater influence.
