

Simonsig Merindol Syrah 2014

The wine displays an inky black centre with alluring swatches of plum. This masculine perfume is embroidered with an array of spices. Decadent layers of mulberry wrapped in vanilla pods entice your sense, while tailored tannis capture the aromas of black fruit.

Delicious with Chalmar rump, espetadas and a great pair with seared tuna layered with coarse pink peppercorn.

The name Merindol is taken from the Malan Coat of Arms and is the French village where the Malans originated. Over the past fifteen years Simonsig has replanted Shiraz vineyards with the best Shiraz clones available. Each vineyard was planted on a specially selected site to optimise quality. This has led to a dramatic improvement in quality. The Merindol vineyard is planted on a deep red Hutton soil of weathered granite origin. These are the most sought after soils for growing premium red wine. The high clay percentage has a high water retention capacity and this sustains the vines during the dry summer months. The vineyard was planted in 1996 with a French Shiraz clone SH 99 and it yielded 9.5 tons per hectare after green harvesting was done at veraison.

Style of Wine

Premium quality oak matured Syrah from a selected single vineyard site.
