ageing : This wine has been made with the express purpose of ageing and it is anticipated that it will offer great reward for at least five years.

in the vineyard : Vintage 2015 has distinguished itself as a stellar event. A rain free summer presented an opportunity to capture near perfect, finely flavoured fruit of outstanding quality. These conditions have been considered the ideal opportunity to create our next edition of Reserve Sauvignon Blanc (last produced in 2012).

in the cellar : The production of this bottling is limited to 6000 bottles. This wine has been created from two standalone tanks of Sauvignon Blanc which have been complimented by blending in 14.8% Semillon.
