The Manor House ultra-premium collection comprises single varietal wines made from some of Nederburg's best-of-best fruit, inspired by the beautifully proportioned Cape Dutch manor house built in 1800 by Nederburg's founder, Philippus Wolvaart. This wine is made from Cabernet Sauvignon grapes

**in the vineyard** : The fruit for this wine was sourced from selected top performing vineyards situated across the coastal region of the Western Cape. The viticulturist works hand-in-hand with the grape growers in managing each vineyard block to ensure the best quality fruit for this wine. The different microclimates and soil types associated with each vineyard add to the complexity of the wine. Each block was picked at optimum ripeness and vinified separately

**about the harvest**: The grapes were harvested at 25° Balling.

**in the cellar** : A variety of fermenters were used to create a spectrum of tannin and fruit profiles, contributing to the complexity of the wine. After fermentation, the wine was pressed and racked to barrel. Following malolactic fermentation, the wine was racked off the malolactic lees and returned to barrel. The wine was matured in a combination of new, second- and third-fill French and American oak barrels for a period of 21 months prior to blending.

Cellarmaster: Andrea Freeborough
