Softly-styled with fresh and fruity flavours, celebrating a journey with the love of winemaking at heart. This wine is made from Chenin blanc grapes.

in the vineyard : The grapes were sourced from vineyards across the Western Cape. The viticulturist works hand-in-hand with the grape growers in managing each vineyard block to ensure the best quality fruit for this wine. The different microclimates and soil types associated with each vineyard add to the complexity of the wine. The vines are trellised on a four-wire system and received supplementary irrigation during the growing season.

about the harvest: The grapes were harvested by hand and machine at 21° to 22,5° Balling during February.

in the cellar : The fruit was crushed and gently pressed to extract excellent quality juice. Fermentation took place in stainless steel tanks for three weeks at 15°C. Cellarmaster: Andrea Freeborough
