ageing : This vintage has a full and concentrated structure with very good ageing potential.

in the vineyard : Vines planted: 1995

Soil: Hutton & Oakleaf

Irrigation: Dry Land

Trellising: 5 wire extended moveable perold

Elevation: 400m

about the harvest: The grapes was harvested in cooler conditions

Yield: 7t/ha

in the cellar : Our first vintage since 1999 not using the same Chardonnay sites. First Substantial fruit from our new site was added to this 2018 Unwooded Chardonnay. It immediately made a contribution to the variation and complexity of this final blend. Overall even with the drought, the chardonnay vineyards produced beautiful ripe and healthy fruit.

During the crushing and fermentation kept at low temperatures. Fermentation is only done in stainless steel tanks, no wood is added. We have the wine on the lees for up to 3 months depending on the vintage.
