The wines are richly fruited with bold flavours and structure, and range from exclusive, micro-edition offerings for the connoisseur to wines styled for everyday enjoyment. Multi-talented cellar-master Andrea Freeborough leads the Nederburg team of highly-skilled winemakers who work closely under her direction.

in the vineyard : The grapes were sourced from vineyards across the Western Cape. The viticulturist works hand-in-hand with the grape growers in managing each vineyard block to ensure the best quality fruit for this wine. The different microclimates and soil types associated with each vineyard add to the complexity of the wine.

about the harvest: The grapes were harvested by hand and machine at 24° Balling during February and March.

in the cellar : They were crushed and then fermented in temperature-controlled stainless-steel tanks for two weeks at 25°C to 28°C. The wine was matured for four months in contact with French and American oak.
