The magnificent Big Oak at the Bellingham Manor house is a focal feature in the beloved garden of founding couple Bernard and Fredagh Podlashuk. It was in the shade of this tree that friends and family of the 'Pods' gathered in celebration of life in the Franschhoek valley.

This robust blend combines stately blackcurrant fruit intensity of Cabernet Sauvignon with succulent mulberry and spice from Shiraz in a perfectly balanced blend that is smooth and juicy for easy social drinking on its own, around the fire, or at the dinner table.

in the cellar : The grapes were harvested by hand in late March between 24° and 26° Balling. The grapes are fermented on the skins before malolactic fermentation took place in older French oak barrels and allowed further maturation of 9 months before final blending to highlight the best of this varietal.
