Nestled between the slopes of the Groot Drakenstein mountains in the Franschhoek Valley, lies the Bellingham Homestead. The Homestead Series brings homage to the Bellingham approach to excellence, innovation and quality winemaking through region-specific sourcing of grapes and showcasing the most interesting varieties South Africa has to offer.

in the vineyard : 2017 vintage is one of the best Richard has had so far. "Everything worked in our favour," he says. "I rate it higher than 2015, possibly even as good as 2009. Certainly the wines are a lot more accessible earlier than we've had for a long time."

Terroir: The Mountainous terrain and diversity of terroirs are key contributors to making this a premier viticultural area with granite soils.

Climate: The vineyards are at altitudes above 200m and open to the fresh southwesterly summer breezes originating in False Bay.

about the harvest: Grapes were hand harvested in middle February

in the cellar : Grapes were hand harvested in middle February, whole bunch pressed, and cold settled. Natural fermentation took place in barrel and stainless steel, 60% of wine fermented in new and second fill French oak barrels. Matured for 9 months on lees with frequent batonage.
