Soft and approachable premium wines inspired by more than two centuries of winemaking begun by Nederburg's founder, Philippus Wolvaart, who bought his land in Paarl in 1791. This wine is made from Pinotage grapes.

Available: Europe/UK

in the vineyard : The grapes were sourced from vineyards across the Western Cape. The viticulturist works hand-in-hand with the grape growers in managing each vineyard block to ensure the best quality fruit for this wine. The different microclimates and soil types associated with each vineyard add to the complexity of the wine.

in the cellar : The grapes were harvested by hand and machine at 23° to 24,5° Balling from the end of January to mid-February. They were crushed and fermented in temperature-controlled stainless steel tanks at 25°C to 28°C for approximately two weeks. After malolactic fermentation, the wine was matured in contact with French and American oak for a period of 5 months.
