At the southern tip of Africa, you will find a natural wonder that is as dramatic as it is awe-inspiring. It is where two powerful forces, the mighty Atlantic and Indian oceans, meet. The sheer scale and natural grandeur will give you pause and a chance to reflect, leaving you inspired, exhilarated and breathless. Inspired by this special place - where the right elements of climate, natural beauty and world class winemakers combine to create wines that are crisp, refreshing and as easy drinking as the easy-going, hospitable place that it comes from. Two Oceans Wines is crafted to refresh the palate and soul.

**in the vineyard** : The grapes for this wine were sourced from selected vineyards in the Western Cape.

**about the harvest**: The grapes were picked at optimal ripeness upon showing maximum fruit expression.

**in the cellar** : After crushing and gentle pressing, the must settled to separate the solid matter from the juice. Fermentation was carefully controlled and took place in stainless steel tanks. The naturally fruity sweetness of the grapes was preserved by halting the fermentation process. The wine was clarified and stored at very low temperatures to preserve its freshness and sweetness.
