in the vineyard : Our unique terroir and cool climate consistently provides concentrated grapes full of flavour with a distinct freshness enabling us to produce a Chardonnay which is crisp with an enticing complexity.

in the cellar : In order to reflect the terroir, the wine was made with a minimalistic approach using natural yeast. Alcoholic fermentation started in stainless steel tanks, it was completed in a combination of 30% new French oak barrels. After 9 months on the gross lees the wine was blended, settled and bottled after minimal filtration.
