

Kleine Zalze Vineyard Selection Cabernet Sauvignon 2017

A very classic Stellenbosch Cabernet. The bouquet is a typical one filled with layers of dark fruits and just the slightest hint of herbaceous freshness. A dense palate which is packed with svelte tannins that are beautifully balanced by the cassis and blackberry fruit notes which linger seductively on the back palate. This wine combines the best of new world fruit and old world elegance!

A fantastic accompaniment to most meat dishes.

ageing : Cellaring for at least 8 years.

in the vineyard : Most of the fruit for this wine was sourced from our own vineyards with a few selected parcels from other Stellenbosch vineyards. In 2017 we had a very dry winter season and warm dry conditions early in the growing season but slightly cooler weather in the run up to harvest. The drier than usual conditions resulted in smaller berries and with the cool weather in the later stages of ripening lead to good balance of fruit concentration and elegance with very little intervention required.

about the harvest: The various blocks were harvested at optimum ripeness and vinified separately.

in the cellar : After careful selection in the vineyard the grapes were hand sorted at the winery ensuring only the best fruit was vinified. After de-stemming, the grapes were fermented in a combination of stainless-steel tanks and traditional open-top fermenters. We used a combination of "punch down" and "pump over" at different stages during fermentation for the best possible extraction and to get balance between flavour and tannin levels. Special care was taken not to over extract the wine and maintain density without compromising elegance. After primary fermentation the grapes were gently pressed and transferred to French oak barrels (40% new, 30% second-fill and 30 % third-fill) for 18 months before final blending took place.
