**in the vineyard :** The wine is a blend of Chenin blanc and White Muscadel grapes. The Chenin blanc grapes came from vineyards in the Stellenbosch and Durbanville areas, planted at 110 to 250 metres above sea level from 1985 to 1990. The vineyards are trellised and face south to south-west. The vines were planted in yellow brown soil with a high clay content. The White Muscadel grapes came from a vineyard in Franschhoek, planted at 260 metres above sea level in 1991. The vines are trellised and were irrigated.

**about the harvest:** The Chenin blanc grapes were picked by hand at 18,7Â°Balling during the middle of February. The White Muscadel grapes were picked by hand at 21,8Â°Balling at the end of March.

**in the cellar :** In the cellar the juice received 2 hours skin contact and fermented cold at 14Â°C for 12 days. The blend consists of 80% Chenin blanc and 20% White Muscadel.
