pack : Box **size :** 3000ml **closure :** Tap

The recent demarcation of the Darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West Coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines. Having 99% of all vineyards dry land and almost the same percentage as bush vine, this is as close to what nature intended for grapes to be as one can get. Seductively smooth, sensually soft, subtly sweet, mouth fillingly moreish, unashamedly addictive, decadently Pinotage

in the vineyard : Vineyard type: Bush Vine, dry land
Yield: 3 -7 t/ha

about the harvest: Balling at Harvest: 24-25°B

in the cellar : Crush and destalk, 5-6 days fermentation at 20-30°C on skin. Pressed at 5-10°B. portion of the wine spent 8-12 months on staves to add complexity and layers.
