

Mulderbosch Chenin Blanc Steen op Hout 2018

The wine is bright in appearance, with a nose of fresh pears, ripe apricots and subtle oak spice from maturation of just over 40% of the blend in large, neutral oak barrels and Foudres.

The firmly textured wine displays a fine crisp neutral acidity penetrating the length of the palate, supporting flavours of ripe Granny Smith apples and cinnamon spice. As with all wines of pedigree, the length of the finish is a mark of the wonderful concentration of fruit flavour and balance often achieved through the use of mature vineyards, as is the case here.

variety : Chenin Blanc | 100% Chenin Blanc

winery : Mulderbosch Vineyards

winemaker : Adam Mason

wine of origin : Stellenbosch

analysis : alc : 12.5 % vol rs : 2.1 g/l pH : 3.48 ta : 5.8 g/l so2 : 106 mg/l fso2 : 28 mg/l

type : White **style :** Dry **body :** Full **taste :** Mineral **wooded**

pack : Bottle **size :** 750ml **closure :** Screwcap

in the vineyard : In retrospect this was the correct decision, as from early February onwards there was a rapid drop in acidity, and correspondingly early flavour ripeness due to the lower than usual yields per vine.

about the harvest: Given the dry conditions that prevailed in the three harvests preceding 2018, the vines were under considerable stress this vintage. We made the decision to harvest as early as possible in order to harness the natural acidity that is so central to the character and freshness of Chenin Blanc.

in the cellar : Just over 40% of the blend was matured in large neutral French oak barrels and Foudres for 6 months
