

Two Oceans Pinotage 2018

Colour: Deep, dark ruby red with purple edges.

Bouquet: An abundance of plums and wild red berries, hints of vanilla with subtle spicy oak aromas.

Taste: A remarkably soft and approachable medium-bodied wine with a well-balanced acidity backed by ripe strawberry flavours and soft lingering tannins.

An elegant, approachable wine that is sufficiently versatile. Three great options is smoked duck, pulled pork and being a truly South African cultivar - enjoy it with marinated lamb 'braaied' on an open fire.

variety : Pinotage | 100% Pinotage

winery : Two Oceans Wines

winemaker : Justin Corrans

wine of origin : Stellenbosch

analysis : alc : 13.49 % vol rs : 7.43 g/l pH : 3.62 ta : 5.37 g/l

type : Red **style :** 0 **body :** 0 **taste :** Fruity **wooded**

pack : Bottle **size :** 750ml **closure :** Screwcap

At the southern tip of Africa, you will find a natural wonder that is as dramatic as it is awe-inspiring. It is where two powerful forces, the mighty Atlantic and Indian oceans, meet. The sheer scale and natural grandeur will give you pause and a chance to reflect, leaving you inspired, exhilarated and breathless. Inspired by this special place - where the right elements of climate, natural beauty and world class winemakers combine to create wines that are crisp, refreshing and as easy drinking as the easy-going, hospitable place that it comes from. Two Oceans Wines is crafted to refresh the palate and soul.

in the vineyard : The grapes were sourced from vineyards predominantly in the Stellenbosch area, situated at altitudes ranging from 50m to 180m above sea level. Some of the vines are grown as bush vines and others are trellised.

in the cellar : The juice was fermented on the skins for five days during which pump-overs were performed. Extraction was carefully monitored by tasting to ensure maximum extraction of colour and flavour without aggressive tannins. The wine was racked onto French and American oak and matured for six months. The wine was gently finned and filtered prior to bottling.
