Private Collection is an ultra-premium ensemble of five single varietal wines and a blend, produced from top-performing vineyards, and exclusive to travel retail. Our viticultural and winemaking teams work jointly to identify fruit in each vineyard for this luxury range. Hand-picked grapes that stand out for their fine balance of fruit, acid and sugar, for their exceptional concentration and depth of aromas are reserved for Private Collection wines. This wine is made from Pinotage grapes

Available: Exclusively available to travel-retail

in the vineyard : The grapes were sourced from vineyards in and around the Western Cape. The viticulturist works hand-in-hand with the grape growers in managing each vineyard block to ensure the best quality fruit for this wine. The different microclimates and soil types associated with each vineyard add to the complexity of the wine.

in the cellar : The grapes were harvested by hand and machine at 23° to 24,5° Balling from the end of January to mid-February. They were crushed and cool-fermented in temperature-controlled stainless-steel tanks at 25°C to 28°C for approximately two weeks. After malolactic fermentation the wine was matured in contact with selected French and American oak for a period of 12 months.
