

Jordan Unoaked Chardonnay 2019

Inspired by the styles of Chablis where Chardonnay is allowed to express its inherent character. A totally unique unoaked offering that is defined partly by extended lees contact that develops mouthfeel and nuance in the wine. Aromas of freshly grated lemon zest and citrus orchard that finishes with flavours of apricot puree and lime sorbet.

Perfect with tapas and light seafood dishes.

variety : Chardonnay | 100% Chardonnay

winery : Jordan Wine Estate

winemaker : Gary & Kathy Jordan

pack : Bottle **size :** 750ml **closure :** Screwcap

2013- 91 points The Wine Advocate

2017- 93 Points Tim Atkin

The distinct ravine in the Stellenbosch Kloof ward allows the opportunity to harness the cooling influences from the False Bay on our south and east-facing slopes. This captures the intense flavour compounds found in the grape skins.

in the vineyard :

The distinct ravine which embodies Stellenbosch Kloof harnesses all the qualities of a well-orientated compass. Varying elevations and aspects allows us to grow a selection of classic varieties to specific sites that optimise this expression through their location. The cooler south- and east-facing aspects, unique in Stellenbosch, hosts the more sensitive and aromatic white-skinned grape varieties.

Stellenbosch Kloof enjoys a cooler Mediterranean climate with maritime influences from False Bay, 14km to the south, and a refreshing breeze channelled from the West Coast's Benguela current 24km to the north-west. These two breezes culminate at the top end of the ravine and bring in early morning mists, especially from False Bay. Consequently, temperatures in our meso-climate can be measured at least 3° Celsius cooler than inland Stellenbosch during ripening periods. This adds a unique characteristic to Jordan wines.

Appellation: Wine of Origin Stellenbosch.

Soil: Decomposed granite (Hutton and Glenrosa soil form).

Aspect: South and east-facing slopes, 250 - 310m above sea level.

Age of Vines: 31 years old.

about the harvest: Between 4th February and 29th March 2019.

in the cellar : After cold settling for two days, the juice was tank-fermented with a selection of French yeasts (EC1118 and D47). After fermentation, the wine spent 4 months "sur lie" in the tank with occasional lees stirring to accentuate the leesy character.
