

Steenberg Sauvignon Blanc 2019

The 2019 Steenberg Sauvignon Blanc enchants with aromas of fresh lime zest, elderflower blossom, freshly cut grass and sweet bell pepper, while maintaining its distinctive core minerality derived from the Steenberg terroir. This cool-climate Sauvignon Blanc has an arresting and lively acidity which keeps it vibrant and fresh on the palate with cape gooseberry and green melon flavours.

in the cellar : This wine is made up of a series of Sauvignon Blanc building blocks from different sites on Steenberg - harvested at different ripeness levels. Each block yields unique characteristics ranging from flinty, grassy, green pepper to gooseberry and ripe tropical flavours. The grapes were machine harvested in the cool, early mornings, starting at 2AM, to retain the delicate flavours. Skin maceration occurred after crushing from 8-24 hours at 10°C. The juice settled overnight, after which it was racked off clean, inoculated with yeast and allowed to ferment for up to 30 days at temperatures between 11°C - 13°C. Post-fermentation; the wine lay on its fine lees for 60 - 90 days until blending, stabilizing and bottling starting in mid-August 2019.
