Quality. Consistency. Ethically. These are the 3 pillars on which we build our brand. Du Toitskloof's 22 member farms have nearly 1000 ha of land on the wide Breedekloof valley floor and Rawsonville mountain slopes. We're well known for our award-winning and palate-pleasing wines, but over the last 12 years, we've also managed to establish ourselves as one of the largest Fairtrade producers in the world. (R4.6m was disbursed in 2017 alone, funding creches, schools, a clinic and mobile library - with wifi and computer facilities.) We're simply this; "Distinguished wines made by Nature".
