Developed from pure inspiration of women power, which is fuelled by former Miss South Africa Amy Kleinhans Curd.

**in the vineyard :** The Amelia is a lovely combination of our high-quality single block Chardonnay and Pinot Noir Vineyards, all planted on Jan Harmsgat Farm & Country House. A very first and new edition to the wine collection, we bring to you our delicious and delightful Amelia Brut Rose Methode Cap Classique.

**about the harvest:** The grapes used to produce the Amelia were hand harvested in harvest season at the beginning of March, grapes were harvested at a 20 balling.

**in the cellar :**

The grapes were then pressed using the whole bunches very softly, by pressing softly we can ensure that we avoid too much tannin from the skins and seeds which may give off a bitterness.

The fermentation of the grapes took place in stainless tanks. The wine was then put into bottle with a crown cap to undergo a second fermentation. The wine 3 years on the lees during second fermentation.

A total of 2100 limited edition bottles were produced.
