After years of contact and cooperation with France, the Grier family of Villiera Wines in South Africa, purchased a vineyard in the South of France in 2006. They produce a complete range of wines in the heart of the Fenouillèdes, in the famous Agly Valley, considered one of the finest terroirs of the Roussillon region. The Domaine Grier Chardonnay expresses the successful combination of Old and New World.

about the harvest: The fruit was picked at optimum ripeness to ensure good fruit intensity and refreshing acidity.

in the cellar : After crushing the mash was drained immediately and gently pressed to ensure elegance. Sixty six percent of the wine was fermented in used oak barrels and the balance was tank fermented. After stabilization, the wine was bottled in December 2018.
