

## Laarman Cluster Cabernet Sauvignon 2018

The wine's colour has a youthful purple, and on the nose, there are lovely primary red fruits like blueberries and blackberry with a hint of anise. The palate is clean and elegant with dark chocolate and cherry fruits. The tannins on the finish are very soft, making you think the wine is older than 2018.

Cabernet Sauvignon being the king of the noble varieties, has always found its place on the table with a great meal. My CLUSTER Series Cabernet will pair well with some of my favourites, a great piece of sirloin or ribeye on the bone, a lovely lasagne or slow-cooked lamb shanks and of course anything else you put on the braai.

**variety :** Cabernet Sauvignon | 100% Cabernet Sauvignon

**winery :** Laarman Wines

**winemaker :** -

**wine of origin :** Stellenbosch

**analysis :** alc : 14.0 % vol rs : 2.1 g/l pH : 3.53 ta : 5.5 g/l

**type :** Red **style :** Dry **body :** Full **taste :** Fragrant **wooded**

**pack :** Bottle **size :** 750ml **closure :** Screwcap

Beauty is often found in the smallest things. There is plenty to cherish in a single perfect berry, but in a cluster, there is so much more. I find quality vineyards in different regions from which to produce the best possible wines for the CLUSTER Series.

There are so many aspects to making wine but when you put them altogether the wines are there to be shared with family and friends. In this way, I can be part of the experience with you!

**about the harvest:** The Grapes were harvested in March with a balling of 24.5.

**in the cellar :** The grapes were fermented in stainless steel, fermentation taking 10 to 12 days. The grapes were then left on the skins after fermentation for two weeks. After pressing, the wine went to barrel for 12 months in second and third fill.
