2023 Platter's Wine Guide - 5 Stars

The Manor House ultra-premium collection comprises single varietal wines made from some of Nederburg's best-of-best fruit, inspired by the beautifully proportioned Cape Dutch manor house built in 1800 by Nederburg's founder, Philippus Wolvaart. This wine is made from Cabernet Sauvignon grapes.

Available in Europe and the United Kingdom

in the vineyard : The grapes were sourced from vineyards across the Western Cape. The viticulturist works hand-in-hand with the grape growers in managing each vineyard block to ensure the best quality fruit for this wine. The different microclimates and soil types associated with each vineyard add to the complexity of the wine.

about the harvest: The grapes were harvested by hand and machine at 22° to 23.5° Balling from mid February until the end of March.

in the cellar : The fruit was crushed and then cool-fermented on the skins in temperature-controlled stainless-steel tanks at 25° to 28°C for two weeks. Upon completion of malolactic fermentation, the wine was matured in contact with French and American oak for a period of eight months.
