The Leopard's Leap Culinaria Collection is a celebration of the harmony in which food and wine complement one another. Matching the finest in food with the finest in wine is the very reason behind this exquisite collection - to create optimal enjoyment through mutual enhancement.

Culinaria Pinot Noir Chardonnay is a Wine of Origin Western Cape. Grapes used for the production of this Burgundy-style blend originate from Durbanville (Chardonnay) and Elgin (Pinot Noir).

The blend consists of Pinot Noir (80%) and Chardonnay (20%).

in the vineyard : The Pinot Noir component from Elgin enjoys winds that cool down the whole valley, while the vines grow in well-drained soils - conditions that contribute largely to the varietal flavours of this variety. The Chardonnay component from Durbanville originates from vines growing on south-easterly slopes situated close to the Atlantic ocean, where a cool growing climate ensures favourable slower ripening.

about the harvest: Pinot Noir grapes were harvested at between 20 and 21 degrees Balling.

in the cellar : Pinot Noir grapes were harvested at between 20 and 21 degrees Balling. Chardonnay grapes were harvested at between 19 and 21 degrees Balling. Both varieties were hand-picked and whole-bunch pressed. The juice was allowed to settle, then fermented separately. The wine-makers crafted different blends to ensure the perfect balance of Pinot Noir and Chardonnay.
