

Nederburg Rhine Riesling 1999

The 1999 Nederburg Rhine Riesling is a harmoniously balanced off-dry white wine which possesses all the character of the delicately fragrant noble Weisser Riesling cultivar. Its subtle slight flowery aroma and crisp fruity flavour are supported by an excellent sugar/acid balance that will ensure graceful ageing. This is a delightfully versatile wine which, when served chilled makes an excellent aperitif and will enhance many fine dishes.

variety : Weisser Riesling | Weisser Riesling

winery : Nederburg Wines

winemaker : Newald Marais

wine of origin : Coastal
