Innovative and dynamic the range includes one of only a handful of White Pinotage wines produced in the world along with a Chenin Blanc, Sauvignon Blanc, Merlot, Cabernet Sauvignon and Pinotage.

**about the harvest:** Special selection blocks were picked to ensure only the best grapes are used to produce Duke No5.

**in the cellar :** The White Pinotage, a red grape varietal, treated as a white grape in the cellar. Hand pressing took place, slightly earlier than usual, with juice and skins separated early on, ensuring a crisp white colour.
