

## Leopards Leap Unwooded Chardonnay 2021

A surprisingly voluptuous medium-bodied, unwooded Chardonnay made in a New World style. There is a freshness on the nose followed by an elegant poached pear aroma and ends with soft notes of Golden Delicious Apples. Well-rounded, the palate celebrated flavours of pear that follows through and leave a lingering after-taste.

Chardonnay is renowned for being one of the most versatile food wines. The well-integrated acidity of this wine complements a wide variety of white wine based dishes, such as delicious mussel pasta. Other scrumptious pairings include fish pâtés, lightly cooked shellfish and brie cheese.
