The Journal implies the continuous, the living and the evolving. It ensures the events of time are captured and recorded as momenta – reminders of generations past and a reference for generations to come. The supreme quality of this range and the craftsmanship with which The Journal wines are made, these are the result of Diemersdal's tradition and its previous generations of wine farmers.

in the vineyard : The Journal represents the ultimate expression of Diemersdal terroir, the farm where six generations of the Louw family have been cultivating grapes for the making of fine wines.

about the harvest: The grapes were harvested at optimum ripeness.

in the cellar : 22 months oak maturation in 100% first fill 225L French oak barrels. After 22 months of aging, a barrel selection of Cabernet Sauvignon was made by the 6th generation winemaker.

The grapes were harvested at optimum ripeness and fermented in wooden open-fermenters for 5- days at 24 C-28 C. Punch-downs every 4 hours, fermented dry on skins. MLF completed spontaneously in tanks before the wine was racked into 225L French Oak Barrels.
