type : White **style :** Dry **body :** Light **taste :** Fruity

pack : Bottle **size :** 750ml **closure :** Screwcap

Beauty is often found in the smallest of things, such as a single perfect berry. Combining this with the many aspects of fine wine-making, our wines are created resulting in many accolades, but still remaining accessible for sharing with family and friends. We invite you to partake in this experience.

about the harvest: The origin of these grapes stems from the Stellenbosch region. Harvesting took place by hand at 22.5°balling in the cool of the morning.

in the cellar : Without crushing or destemming, three hour long pressing took place, followed by fermentation for three weeks in stainless steel tanks. The wine was racked and allowed to age for a few months on the fine lees, whereafter light filtration preceded bottling.
