Fish Hoek Fairtrade Sauvignon Blanc 2021

Tropical fruit salad spiked with a sweet and sour twist of lime mingles with a green fig intensity and hints of gooseberry. The wine finishes with a nice acidity and a lovely lingering aftertaste – made for easy quaffing.

This wine lends itself beautifully to seafood, light poultry dishes and salads. Serve chilled.

Fish Hoek is a little settlement just outside of Cape Town on the False Bay coast. It is blessed with a breath taking beach, where the waves break for the first time in their previously unhindered journey from the Antarctic. Backed by Table Mountain, the locals enjoy the outdoors as a way of life - it is this spirit that we hope to capture in this wine.

in the cellar : The grapes are from the vineyards of the Breedekloof region, which produces a more tropical and fruity style of Sauvignon Blanc. The grapes were picked at different sugar levels (20-23.5°B) to get a whole spectrum of flavours. The juice was handled as reductively as possible. Different yeast cultures were used and fermentation took place at 12-1°C in stainless steel tanks.
