

Bruce Jack Pinotage Cinsault 1.5L Bag-in-box Case

The Bruce Jack 1,5L Bag-in-box Cinsault & Pinotage is unlike any other bag-in-box red wine I have ever tasted. This is on purpose and represents my vision of a revolutionary new style of red wine with no drying tannins, bitterness or astringency – bursting with ripe red forest fruit and jam-packed with juiciness. I make it by blending two types of grapes designed by nature to party together. The Cinsault (pronounced Sin-So), does what it says on the box – infamous for a smooth, velvety deliciousness that is so decadent it borders on sinful! The Pinotage brings the tunes – it's the DJ and its going bring the house down. Twist open that little tap and be amazed.
