

Eikendal Cabernet Sauvignon 2020

The Cabernet Sauvignon 2020 is, true to Eikendal's signature style, sophisticated and full-bodied. Whiffs of ripe berries, dark chocolate, spices and pencil shavings greet you on the nose. On the palate, silky tannins await, complemented by a fruitiness and delicate oak flavours with a lingering aftertaste.

ageing : Up to 20 years if cellared correctly.

in the vineyard : The Stellenbosch vineyards were planted in 2003 in "Koffieklip" ("Coffee Stone") soil with a clay layer 1m deep on the lower, western slopes of the Helderberg. With a maritime microclimate, the winters are wet and cold, and in summer the heat is tempered by a cool and fresh breeze from the Atlantic Ocean in False Bay.

about the harvest: The grapes were hand-picked and cooled down to 1°C before entering the cellar

in the cellar : The grapes were destemmed and not crushed. Ten to fifteen days of cold soaking followed before spontaneous fermentation with one or two punch downs per day. A long, slow fermentation at $\pm 34^{\circ}\text{C}$ followed with soft pressing. The wine settled for one to two weeks before going to barrel. The wine was then aged for 12 months in 300l 30% new Burgundian Pierre du Bourgogne oak barrels. The wine was oaked six months less than usual but spent six months more in bottle.
