ageing : Best now or through 2028 and beyond.

in the vineyard : This wine's vineyard comprises unirrigated bush vines that grow in decomposed granite and clay. It sits atop a hill overlooking False Bay that is often buffeted by ocean winds. All these aspects make for a harsh environment in which the vines really come into their own.

about the harvest: The grapes were hand picked.

in the cellar : The wine spent 16 months maturing and it too will continue to improve over the next decade.
