

Prestige Pack

Needing a top class prezzie for a 50th or a significant event? Or just want to stock up on some high end wines?

We have taken the guessing out of your wine choices by curating a special Prestige Pack of some of South Africa's best wines.

Meerlust Rubicon: Meerlust Wine Estate has been producing world-class wines for decades and it is not by fluke that they became one of our top sellers. Their Bordeaux blend Rubicon is iconic and well-loved globally.

Rupert & Rothschild Classique: This wine is a blend of Cabernet Sauvignon and Merlot and is a result of the partnership between Baron Benjamin de Rothschild and Anthonij Rupert on the historic French Huguenot farm Fredericksburg, established more than 300 years ago.

Spier 21 Gables Chenin Blanc: Pale lemon gold at a glance, this is a gloriously fresh and pure style of Chenin Blanc. Upfront ripe, juicy peach and pear fruit aromas are balanced with notes of dried apricot and a lick of oak spice. The palate is youthful but wonderfully luscious, refreshed by mouth-watering acidity and a lingering fruit core finish that provides complexity and texture.

De Wetshof Bon Vallon Chardonnay : De Wetshof has become known internationally as South Africa's eminent Chardonnay House due to the pioneering role it played in introducing this noble Burgundian grape to the country.

The Drift Moveable Feast Red Blend : This wine by Bruce Jack is a story on its own, starting from their very well designed bottle and intriguing label. See if you can spot the family in the pic. This wine is one of The Drift Estate's signature wines.

La Motte Syrah: Syrah from Franschoek contains a natural fruitiness that includes hard-pear and mulberry. La Motte Cellar Master, Edmund Terblanche, has been leading the winemaking team for nearly two decades and as Chairman of Shiraz SA, he knows what he's doing when it comes to producing top class Syrah.
