

## Groot Constantia Gewurztraminer 1992

One of the best in the Cape. Later vintage had sharper acids than previous with strong botrytis characteristics. This cultivar is eminently at home in the deep soil and cool climate of Constantia. Typical rose-petal aroma and a full flavour.

**variety :** Gewurztraminer | Gewurztraminer

**winery :** Groot Constantia Estate

**winemaker :** Bob de Villiers

**wine of origin :** Coastal

**analysis :** alc : 12.6 % vol   rs : 19 g/l   pH : 3.27   ta : 5.5 g/l
