Six principles form the core of our philosophy, "Partnership, Potential, Change, Equity, Dignity and Sustainability". We seek to produce wines that will contribute to the lives of the people whose hard work is expressed in each bottle. There are minimum prices set for grapes and an additional percentage of the sales are given back to the community who uses the money to build schools, clinics and other projects to improve their lives. PIEKENIERSKLOOF WINE COMPANY IS A REGISTERED FAIRTRADE PRODUCER.

**in the vineyard** : Grapes are sourced from Fairtrade certified vineyards predominantly in the Swartland region. These 13 to 16 year old vineyards are trellised and grow on sandy, loam soils. The vineyards are meticulously farmed and managed to yield below 6 tons per hectare.

**about the harvest**: Second week of March.

**in the cellar** : Fermentation is initiated with selected yeast strains and is kept under 26°C. Malolactic fermentation is completed in tank and the wine is matured for 6 months, using French and American oak.
