

Brampton Rosé 2022

With its appealing pale salmon tint, this wine presents complex red berry notes on the nose, followed by bright red berry and strawberry on the palate. Offering great freshness, balance and drinkability, this Rosé is crisp and dry, but with a pleasant hint of fruit sweetness.

Brampton Rosé enjoys food such as salmon sashimi or any freshly baked salmon sandwich, light pasta dishes and parma ham flatbreads, and smoked gouda mushroom quesadillas.

ageing : Best enjoyed in the freshness of youth, or within 2 years of vintage.

in the vineyard : The lead up to the harvest was, for the most part, relatively smooth. Temperatures were fairly moderate, with warm days to encourage ripening followed by cool evenings to maintain phenolic ripeness. However, the berries and bunches were smaller, lighter and less dense than usual.

in the cellar : Most of the juice was drained directly after crushing, with grapes from some vineyards receiving up to 2 hours of skin contact. Wines were fermented cold at around 14°C, ensuring they retain a delicate and fresh bouquet.
