

Warwick The First Lady Sauvignon Blanc 2021

Beautiful notes of lime, passionfruit and green figs excite on first impression, these follow up closely on the palate, with more tropical fruits and a hint of freshly cut grass. Beautifully light and textured, leaving you longing for another sip

Zest, elegance, flair, and a citric wit. Qualities that apply to our savvy bee and to our current First Lady, CEO Christiane Von Armin. This bottle should be the first lady to exit your picnic basket on any summer outing.

in the cellar : Grapes are picked in the early hours of the morning and transported to the cellar. De-stemmed and crush to strainers for skin contact between 2h and 12h depending on the acidity levels. After pressing the juice is transferred to stainless steel tanks for fermentation at cold temperatures to promote aromatics. After fermentation the wine is kept on the lees for a short period of time to retain the beautiful aromatics, blended and bottled early August.
