

Eersterivier Sauvignon Blanc 2000

An aromatic, delicate style with hints of green grass which is complemented by a full fruit-flavoured palate. A refreshing wine.

variety : Sauvignon Blanc | Sauvignon Blanc

winery :

winemaker : Our Winemaking Team

wine of origin : Stellenbosch

analysis : alc : 13.23 % vol rs : 5.61 g/l pH : 3.19 ta : 6.2 g/l

type : White

in the vineyard : The soil is deep weathered granite and we use rootstock 101-14 Mgt. The age of the vines are between 4-25 years and the yield is between 7-9 hectare.

about the harvest: We harvested early February 2000. The 2000 harvest was sunny and dry weather during final ripening stage with a cool breeze keeping acid intact and promoting grape flavours. Night harvested for optimum handling.

in the cellar : Cool fermentation with selected aromatic yeast. We clean (filter) the wine immediately after fermentation to retain freshness.
