The uLutsha wine brand was officially launched in February 2022 at Delheim Estate. It is the culmination of what started as a learning project and has now become the development of a brand by a team of young PYDA (Pinotage Youth Development Academy) graduates, the first of its kind.

Ulutsha is an isiXhosa word for “the youth” and it is fitting that it was developed by a group of young, passionate wine graduates and aspiring business people.
