

## Diemersdal Noble Late Harvest Sauvignon Blanc 2021

Typical noble late character on the nose with ripe tropical fruit, tangy dried fruit and hints of almond flowers. Full flavoured palate with the sweetness and bright acidity in balance.

Enjoy with crème brûlée and malva pudding

The fresh, bright structure of the Sauvignon Blanc grape is given an extra dimension of heavenly sweetness when the fruit is left to hang on the vines allowing the effect of botrytis cinera - or noble rot - to take hold of the bunches. The golden nectar is aged in barrels, resulting in mellifluous dessert wine exuding a symphony of fruit, honey and nuts.
