

Spier 21 Gables Cabernet Sauvignon 2018

An abundance of cassis and violets with concentrated aromas of cedar and pencil lead. A full-bodied wine with a concentrated structure and opulent finish.

"In my experience, a great wine comes from a vineyard with a great view. Grown on the last farm before the peak of the majestic Helderberg, this Cabernet Sauvignon is powerful yet elegant. Think terrific fruit, a full body and ripe, well-integrated tannins - it's the whole package. The best part is that it is just beginning to open and show secondary nuances. Cellar it, and you will be rewarded - if you have the patience, that is." - Johan Jordaan, Cellar Master

A must with meat. Serve with chargrilled sirloin or rib-eye steak and parmesan truffle fries or as a welcome accompaniment to a hearty roast vegetable cassoulet.

As a proudly South African winery dating back to 1692, the 21 Gables range pays homage to Spier's winemaking heritage of more than 300 years.

The 21 architecturally significant gables remain preserved on the estate to this day. Prominent since the latter part of the 19th century, Cabernet Sauvignon has traditionally been used in crafting some of South Africa's most prestigious reds. Admired for its adaptability, today, it is the country's most widely planted red grape. The 21 Gables Cabernet Sauvignon offers an elegantly wooded expression that is big, bold and magnificently flavourful.
