

Savage Wines Are We There Yet 2021

On the nose the aromatics are delightfully dark and brooding, slowly revealing notes of black cherry, blueberry and blackcurrant intertwined with hints of nori seaweed, salty liquorice, cured meats and graphite minerality. As with many of the 2021 reds, there is at once fabulous fruit depth, intensity and freshness together with a seamlessly harmonious textural palate with the most creamy of tannins enlivened by a tangy, juicy acidity that simply melts away slowly into the dark fruit opulence.
