

Groot Constantia Gouverneurs Reserve 1992

A Cabernet Sauvignon (71%) blended with Cabernet Franc (19%) and Merlot (10%). It is an elegant wine with a berry nose and complexity of flavour well interwoven with good character. A wine with a delicious mixture of fruit, wood, pepper and grassiness. The palate is velvety and already soft. Definitely the finest Claret types ever made in the Cape.

in the vineyard : The grapes came from old clone vines on the southeastern and warmer northern slopes of Glenrosa soil.

in the cellar : Matured in new, small French Oak Barrels. It promises superb bottle maturation. The best wines of the vintage were selected after wood maturation and blended to produce this flagship of the estate. The grapes earmarked for this blend were treated with special care in the cellar and after fermentation and a short period of maceration only racked and egg white finings followed malolactic fermentation. The best new barrels were selected for 18 months of wood maturation. The winemaker decided after this process that the wines earmarked for this special blend were indeed the best candidates from the 1992 vintage.
